

Mouldaway

Highly effective mould remover ideal for tiles, stone & many other hard surfaces.

- Eradicates pink and black mould with ease.
- Ideal for use on most hard surfaces and domestic environments.
- Triple action formula: cleans, sanitises and protects.

Availability: 1L, 5L, 25L, 210L, 1000L

Eliminate mould and grime for good in one easy application.

Mouldaway's deep cleaning formula will destroy pink and black moulds fast on a range of hard surfaces including walls, stone, tiles, grouting, ceramic basins, shower curtains, stainless steel, chrome, formica, plastics and toilets.

This triple action product will lift away mould and grime, sanitise the hard surface and protect against regrowth with regular application to keep your bathroom and other household/ professional environments always looking their best.

Mouldaway's unique and powerful hypochlorite and detergent blend means there is no need to scrub in most situations, making this highly effective mould remover the easiest way to remove stubborn and ingrained mould from your bathroom or other affected area.

Ideal for: bathrooms, washrooms, toilets and showers in hotels, restaurants, nursing and residential homes, hospitals, factory washrooms, leisure centres, prisons, garages, offices, warehouses, stadiums and arenas, shopping malls, and many other environments.

Mouldaway is safe to use on: stone, travertine, slate, marble, quarry tiles, glazed porcelain, limestone, terracotta, frost proof tiles amongst many other surfaces.

Directions for use:

- Always test on an inconspicuous area before use to ensure compatibility.
- Keep the trigger spray upright and apply directly to soiled area from 20-25cm, leaving to work for a minimum of 5 minutes. Scrub with a nylon brush if necessary.
- Protecting the eyes, rinse thoroughly with cold water to remove the solution, wiping as necessary.
- Repeat as necessary to remove all mould

Do not use on hot or damaged surfaces, aluminium or other reactive metals, coloured grouting, unsealed wood, unsealed laminate flooring, printed textiles/carpets or linoleum.

Keep away from pets, animals, food and plants.

Rinse all equipment that has been in contact with the product with cold water after use.

Store in a cool, dark, area away from heat and direct sunlight.
