Caravan and Motorhome Cleaner is a handy all-in-one product which is perfect to cut through road grime quickly and safely and leaves your caravan sparkling clean.

Caravan & Motorhome Cleaner is a super concentrated cleaner which is specially formulated for caravans and motorhomes to easily clean away algae, black streaks, traffic film and grime for up to 80 washes.

Safe for use on plastics, fibreglass, GRP, ABS, aluminium, acrylic windows, decals and many other surfaces. Caravan and Motorhome Cleaner is ideal for use on wheels, paintwork, fibreglass and plastics, tow hitch area, windows and storage areas etc.

Fully biodegradable and alkaline based, the cleaner is not abrasive and therefore, will not damage any external components of your caravan.

Caravan and Motorhome Cleaner's super concentrated formulation makes the product ideal for a wide range of application methods to suit the application and reduce the effort needed in deep cleaning applications where weaker products fail. You control the strength of the formulation in use, making the product ideal for intensive washes or to give your caravan or motorhome an every-day sparkling clean.

Directions for use:

This product can be applied by spray, mop or sponge.

Dilute at least 2 capfuls into 5 litres of water. Do not use very hot water. Apply from the base of the caravan to the top as evenly as possible. Allow to soak for 1 minute and agitate with sponge, mop or a soft brush. Rinse thoroughly with water from top to bottom and leave to dry.
