This handy ready to use formulation is the ideal every day cleaner for bathroom surfaces. The fresh cranberry fragrance will revitalise washrooms, and keep any area this powerful product is used in smelling fresh and looking its best.

The sophisticated blend of cleaning agents and quaternary ammonium compounds used in Cranberry Fresh Bathroom Cleaner help to cut through grease, stains and deposits leaving behind a flawless and sparkling surface with minimum effort. It also protects against further algal, bacterial and fungal growth on an endless range of surfaces.

Cranberry Fresh Bathroom Cleaner will lift away a wide range of soilings found in bathroom areas to freshen and re-fragrance problem areas – the product is perfect for daily use! Best of all, the powerful disinfectant used in Cranberry Fresh bathroom cleaner will protect against the bacteria build-up which causes foul odours and soap-scum formation.

Cranberry Fresh Bathroom Cleaner is the ideal product for all bathroom fittings and surfaces including washbasins, baths, hot tubs, shower trays, shower screens, showers heads, toilets, tile surrounds, glass, vanity units, cupboards, taps, door handles, perspex, vinyl and rubber flooring.

We designed this formulation for professionals and the efficacy of the cleaning power carries over as one of the most powerful general purpose bathroom cleaners available to the general public!

### Directions for use:

Always test on an inconspicuous area to ensure compatibility with surface.

Simply spray or apply onto surface to be cleaned and leave to act for 3 to 5 mins, wipe off with clean lint free damp cloth, heavily soiled areas may take a second application.

Rinse surface after use.
